

BROOKDALE FRUIT FARM, INC.

Irrigation, Plastic, & Row Supplies 2010

Brookdale Fruit Farm, Inc., is located south-central New Hampshire and offers a complete line of drip irrigation supplies, Coverton Pro™ floating row cover, and Early Grow™ tunnels, smooth and embossed row crop plastics, selective reflective mulches, slitted row covers, bushel and tomato baskets, tomato stakes and twine, baler twine, monitoring equipment and a limited assortment of liquid and dissolvable fertilizers. Our goal is to offer quality products and pricing throughout New England. We are a family owned and operated fruit and vegetable farm with many years of experience with these products and we are happy to answer any questions you may have.

We have many more items available that are not listed here! Call with your questions or take a look at our website listed below. We can also help you design your irrigation systems to insure low-cost and efficient water treatment.

All prices listed in this catalog are subject to change. Call for updated prices or check the internet. Thanks in advance for your support!
